

KNIGHTS OF COLUMBUS

Saint Monica's Church Willows Council #2054 July 2008 Newsletter;

Next meeting: Thursday July 9th at 7:30 PM.

Dear Brother Knights, I'm taking this opportunity to write this message even-though I will not be officially the Grand Knight until installation.

I personally like to thank Past Grand Knight, Matt Amaro, for his dedicated past two years as Grand Knight and his involvement with the youth of the parish. It will be a hard act to follow. I will try to the best of my ability to carry the duties of this office. With the continued support of you brothers, will make it a lot easier for me. You are the Grand members of this council, that has achieved the success for the past years.

Also, thanks to the officers that remained in their respected chairs. And to newly elected officers that came forward. A special thanks to Brother Bob Pellizzari for continuing the newsletter. (after twisting his arm). And Brother Mark Amaro, as Worthy Recorder.

Last month's dinner meeting was a huge success. I would recommend, at the discretion of the members, that we continue to have them. Let's have fun as we carry out the word of the Lord.

Please plan on attending the installation ** Thursday August 14. See you at the next meeting, In Jesus name, Jim LaBarbera, Grand Knight, elect.

****NOTE** This date was unconfirmed at press time, to the best of my memory, it is the correct date. If it is wrong, I accept responsibility, Bob Pellizzari

IN YOUR CORNER For this month's column, I thought a little "Life Insurance 101" might be beneficial.

The most basic plan of permanent life insurance protection - whole life insurance - calls for premiums to be paid for your entire life, or to age 100. You may also consider another permanent life insurance product - one with guaranteed cash values - that offers a limited period of premium payments. The Knights of Columbus offers three permanent life insurance products for which premiums do not have to be paid for all of life.

"Twenty Pay Life" is exactly as the name suggests - a permanent plan with premiums payable for 20 years. After the premiums are paid for the 20 years, the plan is "paid up" and no more premiums are due. Unlike its term counterpart, however, the plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

Another such plan is our "Life Paid Up at 65." With this permanent product you pay premiums until you reach age 65. Then, premiums stop (just in time for retirement), but the plan remains very much in force.

Finally, the ultimate in limited pay is our Single Premium Life product. Imagine buying life insurance - permanent life insurance - and only paying one single premium? It's possible.

I have detailed information on all of these products. At your convenience, I'll meet with you and your wife to perform a free, custom-tailored needs analysis, to help determine which of our many life insurance products is right for you and your family.
